Eric Yost

Bonnell Aluminum Appoints Eric Yost as Operations Manager – Newnan Plant

Newnan, GA. April 12, 2012 – Committed to serving the growing demand of its key customers and strategic markets, Bonnell Aluminum, North America’s leading manufacturer of custom aluminum extrusions, is pleased to announce the appointment of **Eric Yost** to the position of Operations Manager – Newnan Plant.

Throughout his 26 years in the aluminum extrusion industry and 14 years with Bonnell Aluminum, Eric served as Regional Sales Manager, North American Sales Manager, and most recently as a “Lean 6 Sigma Black Belt” while training, teaching, and implementing Lean/6-Sigma principles throughout the Division. In his most recent role, Eric was instrumental in leading the Division to adopt a data-driven approach to cost savings, continuous improvement, and implementing a “standard work” approach to the Division’s processes.

According to Brook Hamilton, Plant Manager, “Eric’s experience, enthusiasm, and leadership skills are well-suited to this role and will help the plant achieve rigorous objectives. We are very fortunate to have him on our team.”

Eric served in the U.S. Air Force, has a B.S.B.A in General Business / Finance from the University of North Carolina at Charlotte and a MBA from Georgia State University.

About Bonnell Aluminum

Bonnell is a subsidiary of Richmond Va., based Tredegar Corporation. (NYSE:TG) and is North-America’s premier aluminum extrusion supplier to architectural nonresidential construction markets. The company produces soft-alloy aluminum extrusions primarily for building and construction, distribution, transportation, machinery and equipment, electrical and consumer durables markets.
